Autumn II

## Picture Description<sup>1)</sup>

A vibrant autumn tree with yellow and red leaves against a white background.

## Analysis<sup>1)</sup>

This photograph captures the vibrant essence of autumn. A mature tree fills the lower portion of the frame, its branches adorned with a dazzling array of leaves in shades of yellow, orange, and red. The leaves appear luminous, almost glowing, suggesting the scene was captured in soft sunlight. The composition is simple, focusing solely on the tree against a stark white background, which amplifies the richness of the autumnal colors and creates a sense of isolation and beauty. The stark white background also highlights the complexity of the branch structure.
