Three Sisters

## Picture Description<sup>1)</sup>

Close-up, altered color photograph of three red and white daisy-like flowers with dark centers.

## Analysis<sup>1)</sup>

This vibrant, high-contrast photograph features a close-up of several cone flowers in a field. The dominant flower is prominently displayed in the foreground, its petals radiating outwards in a striking pattern of white and red stripes. The central cone is dark and textured, creating a dramatic focal point. In the background, other cone flowers are visible, though less sharply focused, contributing to a sense of depth and abundance. The overall color palette is a fiery blend of red, orange, and white, evoking a sense of warmth and energy.
