SWU

Picture Description¹⁾

A long exposure shot captures the blur of traffic moving through a city street at night, with a building silhouetted in the background.

Analysis¹⁾

This long-exposure photograph captures a dynamic urban scene at night. Streaks of light trace the paths of vehicles, creating a sense of speed and motion against the dark backdrop of city buildings and sky. The cool, blue-toned color palette enhances the nocturnal atmosphere, while the blur and distortion contribute to an abstract and dreamlike quality.
