Not Sweet Home

Picture Description¹⁾

Abstract long exposure photograph of city lights at night, creating a blurred, dynamic effect.

Analysis¹⁾

This abstract photograph, titled 'Urban Flux,' captures the frenetic energy of city life through a long exposure. Swirls of light, ranging from cool blues and greens to fiery reds and oranges, dance across the frame, creating a sense of movement and chaos. The distorted forms suggest blurred cityscapes, car headlights, and neon signs, all melding into a dynamic visual experience. The photograph evokes the feeling of being swept away by the urban current, a sensory overload of light and motion.
