### Analysis<sup>1)</sup>

This photograph captures a weathered advertisement for German language classes at "Kapitel Zwei" near Alexanderplatz, affixed to a pole using white zip ties. The poster is peeling and layered with remnants of other stickers, revealing a patina of urban wear. The background offers a glimpse of a city scene, with a graffiti-covered wall, construction cranes on the horizon, and a blurred street suggesting movement and the passage of time. The photograph balances the close focus on the decaying advertisement with the broader context of the city, creating a visual narrative of language, place, and time.
