Storm I

## Picture Description<sup>1)</sup>

An abstract long exposure of a building at night with blurred lights creating a chaotic and dynamic pattern.

## Analysis<sup>1)</sup>

This captivating photograph blends the urban landscape with abstract expression. Light streaks dance across the frame, creating a dynamic sense of movement and energy. The blurred architecture, juxtaposed with the vibrant blues of the sky, offers a dreamlike perspective on the city at night. The long exposure technique transforms familiar elements into ethereal forms, inviting the viewer to interpret the scene through their own lens.
