Corn Shadow

## Picture Description<sup>1)</sup>

A field of wheat with a shadow suggesting a person standing within.

## Analysis<sup>1)</sup>

This captivating photograph presents a field of wheat, its stalks rendered in a surreal palette of peach and umber. A shadow, suggestive of a human figure, falls across the wheat, adding a layer of intrigue and mystery to the scene. The play of light and shadow creates a striking contrast, highlighting the texture and form of the wheat stalks. The composition evokes a sense of stillness and solitude, inviting the viewer to contemplate the relationship between humanity and nature.
