Colors of Ulm

Picture Description¹⁾

A black and white street scene with a flag and buildings lining a road.

Analysis¹⁾

This high-contrast black and white photograph presents a stark urban scene viewed from a low angle. A striped flag hangs diagonally from a building on the left, drawing the eye upwards. The perspective emphasizes the towering buildings lining a narrow street, punctuated by streetlights and parked cars. The harsh lighting creates deep shadows, obscuring details on the right side of the street and leading the viewer's gaze towards a vanishing point in the distance.
