Big Wheel Amsterdam

## Picture Description<sup>1)</sup>

A blurry, long-exposure photograph of a brightly lit Ferris wheel at night, with other lights and movement in the foreground.

## Analysis<sup>1)</sup>

This photograph captures the dynamic energy of a Ferris wheel at night through intentional camera movement, resulting in a captivating display of blurred light trails. The wheel's structure is suggested by streaks of white light, while surrounding attractions contribute colorful blurs that convey the excitement of the carnival atmosphere. The predominantly dark background emphasizes the vibrancy and chaotic beauty of the scene.
