Blue Water Impression I

## Picture Description<sup>1)</sup>

An abstract photograph of blue and dark streaks, resembling flowing water or blurred light.

## Analysis<sup>1)</sup>

This abstract photograph evokes the movement and depth of a body of water. The interplay of blues and blacks creates a sense of fluidity, where light and shadow dance across the surface. The blurring effect suggests a state of constant change, inviting the viewer to contemplate the ephemeral nature of water and its reflective qualities.
