

# 003401

Borderline

## Picture Description<sup>1)</sup>

A black and white photograph captures a geometric pattern of rectangular pavement stones sharply divided by a diagonal line of shadow.

## Analysis<sup>1)</sup>

This black and white photograph showcases a study in contrasts, where a stark line of shadow dramatically bisects a paved surface. The diagonal division creates a compelling visual tension, highlighting the texture and geometry of the rectangular paving stones. The interplay of light and darkness emphasizes the inherent patterns of the pavement, transforming a mundane scene into a striking abstract composition.
