Stele IV

Picture Description¹⁾

A diagonally arranged abstract composition featuring blue, white, and gray stripes with subtle textures.

Analysis¹⁾

This abstract photograph presents a dynamic interplay of color and form. Diagonal stripes of varying widths and hues—ranging from a striking cerulean blue to muted shades of white and gray—slice across the frame. The textures are subtle, with a hint of graininess adding depth. The composition evokes a sense of movement and visual interest, making the work both minimalist and engaging.
