Stele VII

## **Picture Description<sup>1)</sup>**

Abstract photograph with blurred vertical lines of blue, white, and beige creating a soft, flowing effect.

## **Analysis<sup>1)</sup>**

This abstract composition plays with light and color to create a sense of movement and depth. Swathes of azure and cerulean blue are juxtaposed with soft, ethereal whites, suggesting a fluid, almost dreamlike state. The blurred edges and lack of clear form invite the viewer to interpret the piece according to their own emotional response, allowing for a highly personal and introspective experience.
