Stele XI

Picture Description¹⁾

An abstract photograph featuring blurred lines of blue and off-white/yellow, creating a sense of motion or ethereal quality.

Analysis¹⁾

This abstract photograph features a dynamic interplay of color and light. A vibrant, deep blue dominates the central area, sharply contrasted by a soft, pale yellow on the left. The composition is further defined by subtle gradations of light blue and white, creating a sense of depth and movement. The blurred effect gives the impression of a fleeting moment, captured in a wash of color and light.
