Farming I

## Picture Description<sup>1)</sup>

An abstract, blurred photograph of green grass with darker tracks running diagonally across the field.

## Analysis<sup>1)</sup>

An abstract exploration of green hues dominates this artwork, evoking a sense of tranquility and the organic. Dark, blurred lines diagonally bisect the composition, suggesting pathways through a vibrant, unidentifiable field. The overall effect is dreamlike, inviting the viewer to immerse themselves in a world of pure color and form, free from the constraints of concrete representation.
