Moving Mondrian

Picture Description¹⁾

Abstract composition featuring bold geometric shapes in primary colors, black lines, and white spaces, reminiscent of Mondrian's style.

Analysis¹⁾

This abstract composition is a vibrant exploration of color and form, reminiscent of Piet Mondrian's De Stijl movement. Bold lines in stark black create a dynamic grid, dividing the canvas into distinct rectangular fields. These spaces are filled with primary hues of red, blue, and yellow, interspersed with areas of pure white, producing an interplay of tension and harmony. The slightly distorted perspective and blurred edges add a sense of movement and energy, imbuing the piece with a contemporary feel.
