Witch II

Picture Description¹⁾

A stark, black and white photograph looking upwards at the bare branches and trunk of a birch tree against a bright sky.

Analysis¹⁾

This black and white photograph captures a striking upward view of a bare birch tree against a stark white sky. The tree's trunk, deeply shadowed, curves dramatically, leading the eye upward. The branches, intricate and skeletal, reach out in all directions, creating a complex network against the blank canvas of the sky. The absence of leaves emphasizes the raw, structural beauty of the tree, evoking a sense of starkness, resilience, and the stark beauty of winter.
