REWE

## Picture Description<sup>1)</sup>

A black and white photograph of a REWE supermarket with a pedestrian crossing leading to the entrance.

## Analysis<sup>1)</sup>

This stark black and white photograph presents a frontal view of a REWE supermarket. The building itself is silhouetted against a brighter sky, with the 'REWE' sign prominently illuminated above the entrance. A pedestrian crosswalk, sharply defined with alternating black and white stripes, leads the viewer's eye directly to the store's entrance. The high contrast emphasizes the architectural lines of the building and the geometric pattern of the crosswalk, creating a sense of graphic simplicity and perhaps a commentary on the everyday urban landscape.
