Cloud over Obelisk

## Picture Description<sup>1)</sup>

A stark black and white photograph featuring a tall industrial chimney silhouetted against a bright sky with a dark cloud hovering near the top, framed by buildings.

## Analysis<sup>1)</sup>

This stark black and white photograph presents a dramatic interplay of light and shadow. A towering industrial chimney dominates the composition, its silhouette sharply contrasting against a bright, almost blinding, sky. A dark, ominous cloud envelops the top of the chimney, suggestive of pollution or industrial activity. The lower portion of the frame features the silhouetted rooftops of buildings, giving a sense of urban density. The overall effect is one of starkness and foreboding, hinting at the impact of industry on the environment and the stark beauty that can be found within industrial landscapes. The monochrome palette intensifies the graphic quality of the photograph, emphasizing form and texture.
