Summer Corn IV

Picture Description¹⁾

A close-up shot of tall grass, possibly wheat, in a field.

Analysis¹⁾

This photograph presents a close-up view of a field of tall grass or grain, possibly wheat or barley, in the early stages of growth. The scene is dominated by a sea of green and yellow blades that fill the entire frame, creating a dense, textured landscape. Light gently grazes the tops of the stalks, casting a subtle glow and adding depth to the composition. The overall effect is tranquil, suggesting a moment of calm in nature.
