Two Birds

## Picture Description<sup>1)</sup>

A pastoral scene under a cloudy sky featuring a green field dotted with trees and two birds in flight.

## Analysis<sup>1)</sup>

This landscape photograph captures a serene yet brooding scene under a vast, cloudy sky. The composition is divided horizontally, with the lower half dominated by rolling green fields. A line of trees punctuates the horizon, adding depth and texture to the pastoral scene. In the foreground, a partially obscured field offers a contrast in color and texture. Above, the sky is a canvas of dramatic cloud formations, hinting at an approaching storm. Two birds are also visible in the sky, reinforcing its vastness and the sense of natural freedom. The photograph's muted tones and balanced composition create a feeling of tranquility tinged with anticipation.
