Corduba Ponds

## Picture Description<sup>1)</sup>

A black and white high-angle shot depicts a series of long, rectangular pools filled with stones and water, flanked by manicured hedges and a building, leading to a vanishing point in the distance.

## Analysis<sup>1)</sup>

This black and white photograph captures a symmetrical, receding perspective of a long, narrow water feature. The water, lined with brick and small, neatly arranged shrubbery, reflects the surrounding architecture and lampposts, creating a sense of depth and order. The textured bed of the water feature is clearly visible beneath the surface. A building with numerous windows runs along the right side, contrasting with a stone wall and dense greenery on the left. The overall composition conveys a sense of serenity and formality.
