Green Houses II

## Picture Description<sup>1)</sup>

Exterior shot of a modern building entrance with mailboxes and blue-tinted glass doors, under a sign displaying the street address.

## Analysis<sup>1)</sup>

This photograph captures the entrance to a modern building, characterized by its bold use of color and geometric forms. The exterior wall is painted a vibrant, almost neon, lime green, providing a striking backdrop to the darker elements. Above the entrance, the building's address, "Friedrich-Herdegen-Weg 3," is subtly displayed in a lighter gray. The entrance itself features a sleek, black framed glass door, reflecting the outdoor light in vibrant shades of blue. To the left, a wall of black mailboxes adds a functional element to the composition. The bright white flooring creates a stark contrast, emphasizing the clean lines and contemporary design of the building.
