Bus Ride I

## Picture Description<sup>1)</sup>

A blurry, abstract landscape featuring a green field and some trees against a white background.

## Analysis<sup>1)</sup>

This abstract landscape painting features a vibrant green field that dominates the central portion of the canvas. Above the field, a blurred line of trees or structures fades into a hazy white sky, creating a sense of depth and distance. A horizontal band of yellow and white lies beneath the green field, suggesting a road or path that leads the eye across the composition. The artist's intentional blurring and high-key palette evoke a sense of movement and ephemeral beauty, capturing a fleeting moment in nature.
