Snow Over Blue

## Picture Description<sup>1)</sup>

A low-angle, blue-toned photograph depicts a field of clods covered in snow.

## Analysis<sup>1)</sup>

This photograph presents a stark, wintry landscape. A vast, slightly rolling field stretches to the horizon under a dark, brooding sky. The terrain is uneven, marked by clumps of dark earth sparsely covered with snow. The lighting enhances the cool, almost desolate mood, with a blue tint dominating the scene and emphasizing the coldness of the setting. The overall effect is one of quiet desolation and the raw beauty of nature in winter.
