

008104

Wodka plus a Lot of Water

Picture Description¹⁾

A body of water is covered in aquatic plants, with a plastic bottle floating on the surface.

Analysis¹⁾

This photograph presents a view of water, heavily populated with aquatic plants, possibly a submerged meadow. The water surface is somewhat blurred, with reflections creating a sense of movement and distortion. A plastic bottle floating on the surface disrupts the natural scene, hinting at human impact on the environment.
