Stripes LXXIX

Picture Description¹⁾

A vibrant abstract background featuring vertical gradients of red, yellow, and green.

Analysis¹⁾

This abstract composition features a series of vertical stripes in vibrant, warm colors. The left side of the artwork showcases narrow bands of green and red, creating a dynamic, high-contrast rhythm. As the eye moves right, the stripes widen and the color palette transitions into a blend of yellow, orange, and red, giving the artwork a sense of depth and movement. The blurred edges of the stripes add to the overall soft, almost dreamlike quality of the photograph.
