

009093

April II

Picture Description¹⁾

An abstract colorful blur of vertical streaks in shades of yellow, blue, green, and pink.

Analysis¹⁾

This vibrant abstract piece assaults the senses with its intense and chaotic energy. The photograph is dominated by a riot of color, primarily yellow, green, blue, and magenta, which blend and collide in a dynamic display. Elongated, vertical shapes streak across the canvas, resembling elongated raindrops or brushstrokes. The blurry, dreamlike quality of the photograph creates a sense of movement and disorientation, inviting the viewer to get lost in its psychedelic landscape.
