Berlin S-Bahn No Trespassing

## Picture Description<sup>1)</sup>

A black and white photograph of a bridge with a 'Kein Durchgang' sign, indicating no passage.

## Analysis<sup>1)</sup>

This photograph presents a stark, black and white photograph of a railway bridge. The dominant feature is a sign reading 'Kein Durchgang' in bold, sans-serif lettering, indicating 'No Passage'. The sign is placed prominently in the foreground, effectively blocking the viewer's access to the bridge itself. The bridge's steel structure, with its intricate network of beams and supports, stretches into the distance, drawing the eye towards a vanishing point on the tracks. Overhead, a double-headed lamppost adds a touch of urban decay. The overall composition is one of restriction and industrial desolation, evoking a sense of forbidden access and urban alienation.
