Walking Over You

Picture Description¹⁾

A low-angle shot showcases city buildings and a large advertisement, with layered, torn posters in the foreground adding an urban feel.

Analysis¹⁾

This photograph captures a layered urban landscape, contrasting the sleek modernity of skyscrapers with the rough texture of street-level decay. The lower half of the frame is dominated by a wall plastered with torn posters, their faded blues and whites hinting at previous campaigns and forgotten messages. Above this, a towering billboard displays a vibrant advertisement for Nike Joyride sneakers, juxtaposing the ephemerality of street art with the permanence of commercial branding. The composition draws the eye upward, past the white brick of a building facade, to the towering skyscrapers that punctuate a bright, cloud-strewn sky. The photograph explores themes of urban life, advertising, and the constant evolution of the cityscape.
