Shades of Grey

Picture Description¹⁾

A dramatic sky filled with dark, ominous storm clouds.

Analysis¹⁾

A dramatic skyscape fills the frame, dominated by a thick layer of dark, brooding clouds. The clouds are layered and textured, with variations in grey tones that range from near-white highlights to deep, ominous shadows. Light penetrates the upper layers, creating a contrast with the darker masses below. The overall effect is one of impending weather, with a sense of weight and power.
