

# 011138

Color Frontin Mirror II

## Picture Description<sup>1)</sup>

A blurred, colorful background with a prominent blue and white pedestrian and bicycle crossing sign on the right.

## Analysis<sup>1)</sup>

This photograph presents a vibrant abstraction, where vertical lines create a sense of structured chaos. Behind these bars of perception, layers of color cascade, creating a hazy tapestry. The focal point of the photograph is a stark blue sign, adorned with a white depiction of a pedestrian and cyclist. Its bold clarity contrasts with the indistinct background, drawing the viewer's eye and prompting a consideration of urban space and the symbols that navigate it.
