Series with Glass IV

Picture Description¹⁾

A black and white portrait of a man in a turtleneck holding a glass, looking to the side with a slightly displeased expression.

Analysis¹⁾

This black and white photograph captures a man with tousled hair, dressed in a dark turtleneck sweater, holding a glass of liquid. The man's expression is one of contemplation, perhaps even a hint of melancholy. The image's stark contrast emphasizes the texture of his skin, his clothing, and the glass, creating a mood that is both intimate and slightly unsettling. The lighting and composition give the piece a classic, almost timeless quality.
