

# 011616

Dark Daisies I

## Picture Description<sup>1)</sup>

A field of daisies with red centers in a neutral, artistic tone.

## Analysis<sup>1)</sup>

This photograph presents a dreamlike field of daisies, rendered in a muted palette with striking red centers. The close cropping and shallow depth of field create an immersive experience, drawing the viewer into the heart of the floral landscape. The soft focus lends an ethereal quality, blurring the lines between reality and memory, evoking a sense of nostalgia and quiet beauty.
