

# 011879

Neu-Ulm City Hall

## Picture Description<sup>1)</sup>

Architectural view of a building with a shading structure, showcasing stark contrasts of light and shadow.

## Analysis<sup>1)</sup>

This striking architectural photograph captures a building's courtyard featuring a large, awning-like structure casting dramatic shadows across a raised platform and the surrounding paved area. The stark contrast between light and shadow emphasizes the geometric forms and textures of the building's facade, the steps, and the paving stones. The composition invites the viewer to consider the interplay of space, light, and form, creating a sense of depth and perspective within the urban environment.
