LINTH III

Picture Description¹⁾

A black and white photograph selectively colored to highlight the blue water surrounding a pier with metal railings.

Analysis¹⁾

This photograph captures a serene scene of a pier extending into a body of water. The pier is lined with railings, casting shadows that create a dynamic visual pattern on the surface. Signage and flags mark the structure, while in the distance, boats and the shoreline add depth to the composition. The water's surface is subtly textured, reflecting the ambient light and enhancing the tranquil atmosphere of the photograph.
