Red Table on White

## Picture Description<sup>1)</sup>

Two upturned tables with red tops stand outside a restaurant, reflecting the sign "BURGER MEISTER" in the window.

## Analysis<sup>1)</sup>

The photograph captures an urban scene featuring two upturned bistro tables positioned outside a restaurant or cafe, as indicated by the "BURGER MEISTER" signage visible in the reflective glass facade. The tables, with red undersides and white edges, are placed on a cobblestone pavement. The overall composition is a study in geometry and reflection, highlighting the contrast between the rigid lines of the tables and the textured surface of the street. The lighting is muted, casting long shadows and emphasizing the stillness of the scene, suggesting an off-hours establishment.
