Red on Green White IV

Picture Description¹⁾

A long, bright red corrugated pipe runs along a snow-dusted embankment next to a paved road.

Analysis¹⁾

A bright red, corrugated drainage pipe lays prominently along the edge of a stream or ditch. The pipe is partially covered in snow, which also dusts the surrounding dead leaves and undergrowth. A dark asphalt road runs along the bottom edge of the frame, contrasting with the organic, snow-dusted landscape. The pipe connects with a black joint in the middle of the frame. In the background, a small stream runs alongside a tree trunk.
