Potsdamer Platz VI

Picture Description¹⁾

A black and white photograph of a wall with graffiti, a direction arrow and the sign 'nach Friedrichstr.'

Analysis¹⁾

This black and white photograph presents a textured wall covered with graffiti and markings. At the center, the words 'nach Friedrichstr.' are prominently displayed in a bold, gothic typeface, accompanied by a simple, solid arrow pointing towards the right. The phrase, meaning 'to Friedrich Street,' suggests a direction or guidance. The wall itself appears worn and aged, with a mix of scribbled words, symbols, and abstract designs scattered across its surface, adding layers of depth and historical context to the photograph. Above, some tiles are visible, some of them with some damage, the tiles are in contrast to the wall below with its rough markings.
