Danube Rowing

Picture Description¹⁾

A black and white shot of two rowers in a boat on the water.

Analysis¹⁾

This black and white photograph captures the silhouette of two rowers in a shell, gliding across a body of water. The perspective is from above, emphasizing the V-shaped wake created by the boat's movement, which contrasts with the slightly rippled surface. The scene evokes a sense of calm and disciplined activity, with the reflections of the oars adding an abstract element to the composition.
