LORD IS EXTRA I

Picture Description¹⁾

A black and white street scene with a large vintage cigarette advertisement on a brick building, featuring a couple holding cigarettes and text in German.

Analysis¹⁾

This photograph captures a stark, black and white street scene in what appears to be a European town. The composition is dominated by a large advertisement plastered on the side of a brick building, featuring a couple in a mid-century style, promoting 'Lord Extra' cigarettes. The poster's retro aesthetic contrasts with the more modern vehicles parked along the street. The photograph evokes a sense of nostalgia and offers a glimpse into the past, while also highlighting the pervasive nature of advertising in urban spaces.
