Analysis¹⁾

This black and white photograph captures a bustling street scene in front of the Jelmoli department store. The iconic Jelmoli sign, adorned with lights, stands beneath a large advertisement featuring a model and the store's branding. Pedestrians cross the zebra-striped crosswalk in the foreground, their diverse attire and purposeful strides conveying the energy of urban life. The architecture of the buildings is imposing, with rows of windows and vertical banners adding visual interest.
